

# KT9 Assignment Rules

Dr. Jamie Schwandt

# Health Care Management: Organization Design & Behavior

- **Chapter 12:** Health Policy and Regulation p. 348-378
- **Chapter 14:** Consumerism and Ethics p. 400-430

# SMEAC

- **Situation (current reality)**: You are a FHSU student enrolled in HHP630 required to complete KT9.
- **Mission (the objective or the intent)**: Complete the KT and post in the class WordPress site (and the Facebook group for extra credit).
- **Execution (the “How” or the plan)**: Each student will focus their effort on completing the following simple rules. You will then post to the SL WordPress site and respond to at least two other student posts.

# SMEAC

- **Execution (the “How” or the plan)**: Each student will focus their effort on completing the following simple rules. You will then post to the SL WordPress site and respond to at least two other student posts.
